CATERING ROADMAP TO RECOVERY

AGREE ACCESS PROCEDURES FOR TEAMS both logistically and from a safety

perspective, including temperature checks and daily COVID declarations

PROVIDE A CLEAR RESTACK PLAN highlighting when, which and how many team members will be back to work

PLAN THE CATERING OFFER to meet customer needs and desires

INSTALL SAFETY SIGNAGE including safety screens and hand sanitising stations

DEEP CLEAN CATERING FACILITIES to include flushing systems, pest control

check and recommissioning of equipment

IMPLEMENT SOCIAL DISTANCING MEASURES including one-way systems and seating plans

INSTALL AND TEST NEW TECH including new payment systems and payment apps

RETRAIN YOUR TEAM including refreshers and risk assessments

PERFORM A DRY RUN for service prior to reopening day

INITIAL REOCCUPATION IMPLEMENTATION OF THE PLAN

BE CLEAR WHAT OFFER IS AVAILABLE during this initial phase

CONSIDER METHOD OF PAYMENT contactless or cash payments

REVIEW THE OFFER ON A DAILY BASIS

- gaining feedback from customers
- » Is the range wide enough?
- » Are we meeting our customers' needs?
- » Is service quick enough?
- » Have we mastered any new payment systems?

IMPLEMENT ANY VALID IMPROVEMENTS and suggestions

REFINE THE PLAN for the next stage and test

DESIGNED WITH

SAFETY FIRST

REFLECTIVE OF

WAYS OF WORKING

> DEVELOPMENT OF THE PLAN / INCREASE OFFER

ITERATIVE AND

TOTALLY FLEXIBLE

INFORMED BY EXTERNAL PROFESSIONAL GUIDANCE

REVIEW THE CURRENT OFFER

Does service need to be increased? Review all the data and customer feedback

SAFETY AT WORK

Do our teams, suppliers and customers feel safe being back at work?

WHAT ARE THE NEXT STEPS FOR CATERING?

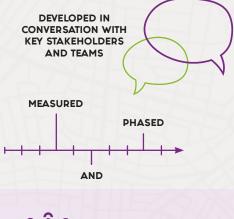

- » Stay as we are?
- » Introduce full hot menu in the café?
- » Open socially distanced seating areas?
- » Recommence face-to-face meetings with hospitality?
- » Socially distanced fine dining?
- » What is the external professional advice?

IMPLEMENT ANY CHANGES based on the findings

ased on the midnigs

REFINE PLAN FOR THE FINAL STAGE

BATNU (Business As 'The New' Usual) and test

THE 'NEW NORMAL'

PHASE

all services should now be operating under 'new normal' protocols

SYSTEMATICALLY REVIEW THE PLAN

and new operating procedures internally with key stakeholder and teams, ensure external professional advice is adhered to and actioned

KEEP TEAM MEMBERS AND CUSTOMERS INFORMED

of any changes to ways of working or changes to the offer or range of services available

WE WILL KEEP YOU INFORMED

of general updates which may affect contract catering, foodservice and wider hospitality trade as we receive them

STAY POSITIVE AND STAY SAFE!

A DAILY BASIS
